Students Grievances & Redressal Committee

A Centralized Confidential Students Grievance Redressal Committee has been reconstituted on 17-08-2023 to redress the grievances and complaints of the students. A women's' forum is functioning within the cell for taking up issues related to the woman separately. The College has a "Grievance Redressal Committee (Cell)" to redress the grievances of the Students.

Purpose:

Grievances Redressal Committee is formed in order to keep the healthy working atmosphere amongst staff, students & parents. This cell helps Students to record their complaints and solve their problems related to academics, resources and personal grievances. Ragging Complaints will be handled as per ragging rules available on institution Website.

Woman Harassment complaints will be handled as per government guidelines by respective section. The students approach the Cell for their grievances regarding academic matters, financial matters, health services, library and other central services.

The committee sorts out their problems promptly and judiciously. The committee also redresses the grievances of the students as and when required. As a result of this mechanism, the institute has pleasant ambient atmosphere and good work culture with in-built goodwill and mutual understanding among the students. The composition of the students' Grievance Redressal Committee is as under:
